HWY 16 IN YOLO COUNTY NEAR ESPARTO

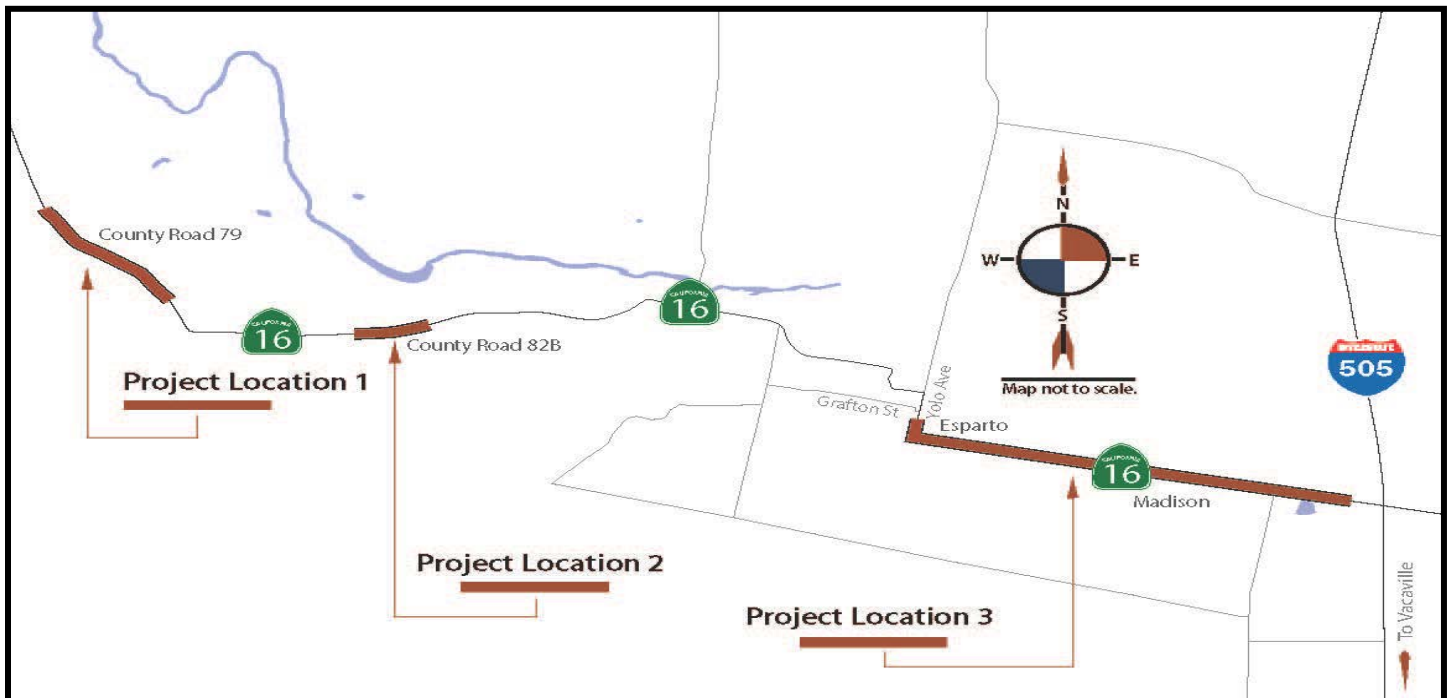

WHAT IS PLANNED

The California Department of Transportation (Caltrans) is proposing a safety improvement project at three separate locations on State Route 16 in Yolo County between Brooks and the I-505 interchange. The project proposes to widen shoulders to 8 feet, install shoulder rumble strips, and provide a 20 foot clear recovery zone (which includes the shoulder) at all three locations. In addition, the project would add a left turn pocket at location 1, a two-way left turn lane at location 3, flatten horizontal curves at locations 1 and 2, intersection improvements at Co Rd 89, and will add an additional access to the Madison Migrant Center from Co Rd 89. The locations are as follows (limits are approximate):

Location 1: In Cadenasso at County Road (Co Rd) 79 (from 0.3 mile west to 0.4 mile east of Co Rd 79)

Location 2: 2.2 miles west of Capay near Co Rd 82B (from 0.3 mile west to 200' west of Co Rd 82B)

Location 3: Esparto to 0.2 miles west of I-505 (from 400' west of Co Rd 21A to South Fork Willow Slough)
